Skills

Profile

As a recent graduate with a degree in computer science, I'm excited to launch my career in Website developer. During my studies, I gained hands-on experience in programming languages such as C,Java, C++, and Python, as well as web development technologies like HTML, CSS, and JavaScript. I'm a fast learner with a passion for problem-solving, and I'm always eager to take on new challenges. I'm seeking a role where I can apply my skills and contribute to the company
